

ABOUT THE EVENT

"Polonia ma talent" is a celebration of the musical and artistic talent of young Polish Australians. Singers and bands take the stage to perform contemporary Polish songs, and visual artists have their work featured in the event booklet. It is a showcase, not a contest. Everyone who takes part is recognised, performers get feedback from professional musicians, and the whole community comes together to keep Polish music, art and culture alive "down under".

Join us on 21 November 2026 at John Paul II Hall, Marayong.
